Nissan Forklift

Nissan Motor Co. Ltd prides itself on achieving complete client happiness when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and meticulous quality values to their customers. Incorporating a fruitful heritage combined with resilient manufacturing principals, Nissan Forklifts offer many of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide requirements of their assorted consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to providing consumer support, the company has four separate manufacturing facilities that allow them to constantly adapt to their consumers continually evolving needs by providing a range of innovative ideas and concepts.

The Nissan Forklift North and South American center is stationed in Marengo, Illinois. A dedicated team of 350 personnel is committed to the cooperation, design and fabrication of their products. Operating under the ISO-9001 and ISO-14001 certifications, allows each sector of the Nissan Forklift Corporation to sustain environmental responsibility by using techniques that diminish the global impact of their products and processes. These high standards remind customers that Nissan operates under the quality seal that their consumers insist upon whilst being an environmentally responsive corporation.

Nissan is fairly certain that any of their consumers inquiries and client considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their locally authorized dealers or even going to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their warmth and dedication.
