Genie Forklift

Genie Industries prides itself with the belief of lifting clients and resources higher, extending beyond the products they design. A global business that is deeply tied to their clients and enjoys reflecting the spirit of relationship with all they accomplish. Genie Industries strives to help clientele erect their business no matter how large or small the scale of operation may be.

The inauguration of the Genie Hoist in 1996, a pneumatic, transportable material lift initiated the beginning of Genie Industries. A series of aerial work platforms and additional materials lift trucks followed to satisfy customer demand. These innovative products secured universal recognition and established modern product design.

Presently, Genie Industries is a subsidiary of the Terex Corporation. Among their highest priorities are to fabricate and maintain foremost quality construction and uncompromising level of support and service. With customers from Dubai to Dallas and Hong Kong to Helsinki requesting the distinctive blue coloured material lift trucks on the jobsite, the company is firmly planted in their exceptional customer values and service. Acknowledging that their consumers are their greatest motivation, the team at Genie Industries are personally dedicated to delivering expertise and maintaining customer rapport.

The trustworthy staff is committed to greener, more environmentally sensible possibilities to advance the products that clients want. Genie Industries focuses on "lean production" practices in order to help diminish waste while building very high quality forklifts in the shortest time period at the lowest possible cost for the consumer. The staff at Genie Industries is proud to serve the industry and this is mirrored in every product they manufacture. Always welcoming consumer contribution enables them to manufacture and develop modern new products that are straightforward to service and operate, provide optimum value-for-cost and satisfy global standards. Thriving on client criticism allows Genie Industries to continually evolve and satisfy the consumersâ?? requirements.

Genie's service professionals are readily accessible to offer solutions to the inquiries you may have in order to keep you fully operational. Their vast components network will promptly ship components to guarantee their customersâ?? machines are running effectively. Each product comes backed by a competitive and reliable warranty.

Genie Industries takes great pride in its client service and builds and serves its goods to ensure efficiency and maximum uptime on the job. Delivering on-going training opportunities, to marketing support to adaptable financing solutions, Genie Industries provides their customers the resources to get the most out of their purchase.
